

## INDEX

Note: This index includes the names of World War 1 soldiers and nurses. It includes references to the members of only three Queensland based Units, the 9<sup>th</sup> and 15<sup>th</sup> Infantry Battalions and the 2<sup>nd</sup> & 5<sup>th</sup> Light Horse Regiments, given at the start of the index. It includes index terms for Gallipoli Soldiers & Nurses, Nurses, Aboriginal Australian Soldiers, and the places with which a service person had an association within the Beaudesert district, such as the location of their next of kin. It also includes terms for those soldiers and nurses who were Killed in Action, Died of Wounds, and Died of Diseases. The index does not include the names of civilians, as those will be included in the companion book “The World War 1 Home Front in the Beaudesert District,” nor does it include subject terms other than those mentioned in this Note. The index gives the index term followed by the page number on which the information occurs. Terms with sequential pages may be marked by a hyphen.
